TAKE THE COMPLEXITY OUT OF TILE INSTALLATION

Cut to industry-standard cabinet height, Six3Tile Backsplash Pro Kits save you time and money with pre-cut tile panels that any contractor can install and grout in an afternoon.

Unlike traditional tile, Six3Tile can be grouted immediately for rapid renovation in occupied or unoccupied units.

Simply cut the panels to fit around outlets and use construction adhesive to keep panels in place. Avoid the hassle of ceramic tile and achieve the same, premium look with durable PVC tile that's designed to last.
